Call for offers

Institute of Psychology, Polish Academy of Sciences based in Warsaw, 00-378 Jaracza 1, is seeking a Contractor for the service of **developing a VR application for research purposes**. Detailed specification of the application is enclosed to the request.

Offers will be evaluated based on:

- pricing
- Offeror's location
- experience in cooperation with scientific institutions in preparing VR applications for research purposes
- estimated app delivery (up to May 2020)
- estimated duration of app development
- employment of motion capture and 3D space scanning technologies

Offers should be sent to aschudy@psych.pan.pl by January 8th, 2020. We will revise all offers and contact the Offerors via e-mail.
